Motion Regarding the SSMU GA to Lobby the SSMU Executive to Lobby the SSMU Council to Buy Chess Sets for the Student Owned Bar, Gerts

Preamble: Turn off your mind, relax and float downstream. Shut off the hockey.

Whereas, the SSMU General Assembly does not have basic economic freedoms, such as allocating the spending of capital;

Whereas, this resolution received the necessary signatories, either four from sitting members of the SSMU Council, or from a hundred lambda students who are incapable of making decisions except *en masse*;

Whereas, this resolution has been judged constitutional and is thus permitted for debate and vote in the SSMU General Assembly;

Resolved, that the Winter 2012 General Assembly of the Students Society of McGill Undergraduates demands that the 2011-2012 SSMU Executive lobbies the SSMU Council on behalf of the collected student body for the purchase of six chess sets for free use by McGill Students in Gerts in exchange for the temporary coercion of their student identification.
