COVER LETTER

Interim Status Club

Please describe the goals of your club and how you plan to achieve these goals. Describe any activities you will host in order to achieve your goals. Please include information on how becoming a SSMU club will allow your group to achieve its goals.

The original aim for the British Appreciation Society at McGill University is to allow those who are from England and those who wish to learn more about the British culture to be able to meet and get to know each other. It will offer the opportunity for those who share a love of Great Britain and its culture to meet and socialize with each other in a fun and familiar environment.

Some of the activities that we plan on doing to achieve these goals is to offer Pub Nights out regularly to immerse our members amongst some of the more English and Irish Pubs and Bars available in Montréal. It will also offer a relaxed atmosphere for members to get to know each other at the beginning. Typical English Pub Quiz’s will be given at least twice a month. English Breakfasts will happen at least twice a month on Sundays, as well as the occasional Tea Time, which will include a selection of Tea, Crumpets and Scones in the late afternoon for our members. Another idea is that upon membership, we intend to create, and hand out a North American – English Dictionary to inform new members on the British slang. We would also like to introduce British film viewing events and sport-watching events, i.e. the champs league and English national football team, which can be viewed at Gerts on several occasions.

By becoming a recognized SSMU club, it will legitimize our club and give those who are from or with a love of Britain the opportunity to take part within their school’s student society, as well as getting more involved with their community. As a recognized SSMU club, it will also give the group a voice to be heard for other students who may be interested in joining, especially if they are so far from home.
